CORAM: HONOURABLE MR. JUSTICE VIKASH JAIN
ORAL ORDER

2 24-10-2019 Heard learned counsel for the petitioners and learned
APP for the State.

2. The petitioners apprehend their arrest for the offences alleged under Sections 341,323, 308, 379, 504, 506/34 of the Indian Penal Code registered in connection with Sakurabad P.S. Case No. 123/2019.

3. It is submitted that the petitioners have been falsely implicated and the accusations are improbable in absence of any motive for the assault having been assigned. There is no firearm injury to corroborate the accusation of snatching of Rs. 60,000/- by petitioner no. 1 on pistol point. It is

submitted that as a matter of fact there is a dispute between the parties leading to lodging of the FIR.

4. Learned APP on the other hand opposes the petition inviting reference to the order of learned ADJ-III taking note of the grievous injury sustained by the informant on his head. It is therefore submitted the accusation of assault by the petitioners stands corroborated.

5. Having regard to the nature of accusations and gravity of offence alleged, this Court is not inclined to grant the privilege of anticipatory bail to the petitioner. The anticipatory bail petition stands dismissed.
