**CORAM: HONOURABLE MR. JUSTICE PARTHA SARTHY
ORAL ORDER**

3 02-12-2019 Heard learned counsel for the petitioner and learned APP
for the State.

The petitioner has filed the instant application for grant of
bail in a case registered for the offence under section 30(a) of
the Bihar Prohibition and Excise Act, 2016.

As per the allegation in the FIR, 68.92 litres of liquor
have been recovered from the house of the petitioner.

It transpires from paragraph no. 3 of the petition that one
another case being Complaint Case no. 641 of 2019 dated
06.06.2019 also under section 30(a) of the Bihar Prohibition and
Excise Act, 2016 is pending against the petitioner.

It is submitted by learned counsel for the petitioner that
contrary to the allegation, nothing has been recovered from the

possession of the petitioner, who has been falsely implicated in the two cases.

Learned APP for the State opposes the prayer for bail submitting that recovery in the instant case has taken place from the house of the petitioner and this is the second case under the Excise Act against him.

Having heard learned counsel for the parties and taking into consideration the facts and circumstances of the case as also pendency of one another case under the Excise Act against this petitioner, the Court is not inclined to enlarge the petitioner on bail and as such his application for bail is rejected.

However, in the instant case, if so advised, the petitioner may renew his prayer for bail after completion of six months in custody.
