ORAL ORDER

2 19-11-2019 Heard both sides.

Admittedly the land of khesra no.1651 of khata no.19 area 0.61 decimal situated in village Harinkol, P.S. Pirpainti, District Bhagalpur has been acquired for Pirpainti Thermal Power Project. The petitioner filed petition on 04.10.2019 before the Land Acquisition Authority that there is a dispute with regard to title of the land acquired in the year 2011-12. A title suit is also pending between the petitioner and others but the Land Acquisition Authority has already paid substantial amount of compensation to respondent no.4, who is also a party

in the title suit. It appears that the land was acquired in the year 2011-12 but the petitioner, who claims himself to be the owner of the land, filed petition before the Land Acquisition Authority on 04.10.2019.

In this view of the fact, I direct the Land Acquisition Authority to dispose of the petition of the petitioner in accordance with law after hearing the petitioner and only make payment of remaining compensation amount to respondent no.4 after disposal of the petition filed by the petitioner within three months from the date of receipt of this order.

With the aforesaid observation, this writ petition is disposed of.
