The petitioner apprehends his arrest in Naurangia P.S.

Case No.36 of 2018 registered under Sections 364(A), 34 and
120 of the Indian Penal Code.

The informant alleged that while his brother going
along with Aslam Ansari his brother was kidnapped by four
persons who had come with two motorcycles. The kidnappers
called on the mobile of the brother of the informant and
demanded extortion. Two accused persons came near Bawan
Garhi bridge to collect extortion money but Aslam identified
one of them who was apprehended on such, accused persons let
off the brother of the informant. The informant named the
petitioner that he was also one of the kidnappers of his brother.

The learned counsel for the petitioner submits that victim did not identify the petitioner in his statement made in para 12 of case diary. During the course of investigation, the witnesses in para 15, 16, 17 and onward of the case diary disclosed that there was some dispute with regard to money. The victim himself returned but it appears from perusal of the record that victim as well as other witnesses have stated that the petitioner and others kidnapped him. The petitioner has also got criminal antecedent. He is accused in two cases one registered under Section 364 I.P.C. and another under Section 406 and 420 I.P.C.

Considering the aforesaid facts, I am not inclined to enlarge the petitioner on anticipatory bail. Accordingly, the same is rejected.
