ORAL ORDER

2 25-11-2019 The petitioner claims that he attained the age of

superannuation and retired on 31.01.2019 as Senior Transport

Manager (Commercial), Metro Railway, Kolkata. He has filed

this writ application, seeking direction for payment of his post

retiral dues.

Learned counsel appearing on behalf of the petitioner

has submitted that the Metro Railway, Kolkata, is under Indian

Railway and the post, which the petitioner held, was under the

Indian Railway.

If, according to the petitioner, he was holding any post

under the Indian Railway, Central Administrative Tribunal

would have been the appropriate forum, where he could have

approached. I am not going into the question, for the present, in

the present writ application, as to whether Metro Railway,

Kolkata, is a part of Indian Railway and petitioner held a civil post under the Indian Railway to establish his claim. The said question can be gone into by the competent authority/Tribunal in appropriate proceeding in accordance with law.

This writ application stands disposed of with the aforesaid observation. The petitioner shall have liberty to approach appropriate forum in accordance with law.
