ORAL ORDER

3 18-12-2019 Heard learned counsel for the petitioner as well as
learned Additional Public Prosecutor for the State.

Petitioner seeks bail in a case registered for the
offence punishable under Section 302 of the Indian Penal Code.

Petitioner happens to be the husband of the deceased
and there is specific allegation that he committed murder of
deceased by pressing her neck. The postmortem report goes to
show that the cause of death was asphyxia due to suffocation in
case of blockage of nose and mouth by hand. Admittedly, the
deceased died inside her house.

Considering the aforesaid facts and circumstances as
well as submissions of the parties, I am not inclined to release
the petitioner on bail.

Accordingly, prayer for bail of the petitioner is
rejected
