ORAL ORDER

2 26-11-2019 Heard learned counsel for the petitioner and learned
Additional Public Prosecutor for the State.

The petitioner in the present case is seeking regular
bail in connection with Session Trial No. 483/2017 arising out
of Bibhutipur P.S. Case No. 184/2015 registered under Sections
394 of the Indian Penal Code, pending in the court of learned
Assistant Session Judge, Rosera,, Samastipur.

Learned counsel for the petitioner submits that
petitioner has been falsely implicated in this case. His name has
been transpired from the confessional statement of the co-
accused.

Learned A.P.P. for the State has opposed the prayer for
bail and submits that four prosecution witnesses in this case
have already been examined in course of trial. As many as 13

cases is on the head of this petitioner of similar nature.

Considering the facts and circumstances of the case wherein four prosecution witnesses in this case have already been examined in course of trial and it is found that petitioner has got as many as 13 cases of similar nature, this court is of the opinion that releasing the petitioner at this stage may not only delay the conclusion of trial but may also result in threatening of witnesses, this court is not inclined to grant regular bail to the petitioner at this stage.

Prayer of regular bail of the petitioner is refused.

Trial court is directed to expedite the trial and conclude the same preferably within a period of six months from today.
