ORAL ORDER

2 02-12-2019 Heard learned counsel for the petitioners and the learned APP for the State.

Petitioners apprehend arrest in a case registered under Sections 341, 323, 324, 307, 504/34 of Indian Penal Code.

Petitioners' counsel submits that the prosecution case is not supported by the injury report. The victims have been found to be suffering with only simple injuries. It is submitted that the informant's side and the petitioners are agnates residing in the same premises and the injuries have been caused in a minor scuffle in relation to the dispute with regard to drain.

Learned APP for the State opposed the prayer.

This Court, after hearing the parties, would consider that the injury report is in relation to female members of the family. Allegation of assault has been levelled against the petitioners individually with details.

Considering the nature of offence wherein it is alleged that the petitioners have assaulted their own aunts within the house premises, this Court is not inclined to allow privilege of anticipatory bail to the petitioners. Prayer is rejected.

Petitioners would be at liberty to approach the Court below for regular bail and if they do so, their prayer for bail shall be considered and disposed of, preferably on the same day, on its own merit without being prejudiced by this order.
