ORAL ORDER

2 13-12-2019 Heard learned counsel for the petitioners and learned
counsel for the State.

Learned counsel for the petitioners submits that petitioners were sent for training in the year 2013-15. The course was completed in the year 2017 but the examination was held in the year 2018. The result was published only in March, 2019 along with the result of junior batch. Learned counsel for the petitioners submits that petitioners should not suffer on account of laches on the part of the respondents for the delay in publishing the result after completion of in service training. It is further submitted that in a similar case, this Court by order dated 09.08.2019 passed in C.W.J.C. No.16165 of 2019 directed the Director, Primary Education to consider the case of the petitioners and grant the benefit from the date of completion of the training as the lapses on the part of the respondents cannot be a ground to deny the benefit of trained pay scale.

Having considered the facts and submissions of the

parties, I dispose of this writ petition with a direction to the Director, Primary Education to consider the case of the petitioners for grant of trained pay scale from the date of completion of the training of the petitioners as even after completion of the training of the petitioners, the examination was held and the respondents took years to publish the result and pass order in accordance with law within four months from the date of receipt of this order. With the aforesaid direction, this writ petition stands disposed of.
