ORAL ORDER

2 09-07-2019 This application under Articles 226 and 227 of the Constitution of India has been filed by the petitioner for directing the respondents to unseal the premises of the petitioner appertaining to R.S.Khata No.20, Plot No.657 measuring an area of 10 decimal situated at Mauza- Sakhra, P.S.-Dehri, District- Rohtas which has been sealed in connection with Dehri (Town) P.S. Case No.831 of 2018 on the charge that huge quantity of liquor had been found in the premises of the

petitioner in exercise of powers conferred under Section 62 of the Bihar Prohibition and Excise Act, 2016.

At the outset, learned counsel for the petitioner submitted that since the premises of the petitioner has been sealed and a report in this regard has been sent to the Collector for confiscation of the same, the proceeding resorted to by the respondents under Section 62 of the Bihar Prohibition and Excise Act, 2016, is a civil proceeding. However, due to inadvertance, a criminal writ petition has been filed before this court. He submitted that the writ petition be disposed of with liberty to the petitioner to assail the action of the respondents in sealing the premises of the petitioner by way of filing a civil writ petition.

Considering the submissions made by the learned counsel for the petitioner, the application is disposed of with liberty to file a civil writ petition before this court in the same subject matter.
