**State of West Bengal
-Vs-
Mahesh Khoso (Since deceased) represented
by Mintu Khoso & & Ors**

None appears.

Perused the office report dated 31.08.2023.

It is apparent from the said office report that the appeal is delayed by 608 days and an application for condonation of delay bearing number CAN-6855/2019 has already been filed on 18.07.2019

It further appears from the said office report that the following defect still persists in this appeal:

1. The case number of the L.A case furnished in the preamble to the grounds of appeal does not tally with that of the certified copy of the Judgement and decree.

Hence, the Ld. Advocate for the appellant is directed to remove the defect mentioned in the point no.1 hereinabove, within two weeks from this date.
