1. This appeal is by the claimant injured under Section 173 of the Motor Vehicles Act, 1988 against the award dated 12/10/2018 passed by Motor Accident Claims Tribunal, North Bastar, Kanker (C.G.) in Claim Case No. 51/2018 awarding total compensation

of Rs. 1,42,273/- with interest @ 7.5 per annum from the date of application till realization, fastening liability on the non-applicants jointly and severally.

3. On claim petition being filed by the claimant under Section 166 of the Motor Vehicles Act, the Tribunal considering the evidence led by both the parties passed an award as mentioned above.
4. Learned counsel for the appellant/claimant submits that in this case claimant sustained grievous injury as per discharge ticket (Ex. P-11) and took long treatment for the injuries and suffered a lot of pain but learned Tribunal only awarded Rs. 5,000 on account of grievous injury sustained by the claimants. Looking to the injury, long treatment, pain & suffering the compensation is required to be enhanced suitably by awarding further sum of Rs. 25,000/-.

6. Heard learned counsel for the parties and perused the material available on record.

7. Considering the facts and circumstances of the case, the age of the claimant, the period of her hospitalization and gravity of the injuries suffered by her, this Court is of the opinion that grant of additional amount of Rs. 20,000/- towards pain and suffering would make the compensation just and proper. Thus, the claimant is hereby awarded additional compensation of Rs. 20,000/- towards pain and suffering with interest as awarded by the Tribunal. However, rest of the conditions of the impugned award shall remain intact.
8. In the result, the appeal is allowed in part with modification in the impugned award to the above extent.
