Order On Board

1. By the impugned order, the petitioner has been asked to vacate the present premises where the open shelter home is run by it for which permission was granted on 05/08/2015 and thereafter registration was allowed on 03/01/2018. By notice dated 06/09/2018, 06/10/2018, 24/10/2018 and 29/11/2018, the petitioner was directed to shift to another accommodation to

continue to run the shelter home. However, despite submitting undertaking that search for new premises is going on and as soon as he will find the new premises, shifting would be done, the petitioner has not been able to find out the new premises.

2. Considering the fact that while replying to the first notice dated 06/09/2018, the petitioner had submitted to the District Programme Officer by his letter dated 19/09/2018, as referred in Annexure-P-3, for shifting the premises and it is not a case where the impugned action has been taken unilaterally without hearing the petitioner, ends of justice would be served if the petitioner is allowed 6 weeks further time to shift to the new premises, failing which the Authorities would be at liberty to take measures in accordance with law. It is ordered accordingly.
3. The writ petition stands disposed of.
