2. The directions given by this Court to the respondents in WPS No. 2519 of 2018 was to consider the case of the petitioner for grant of regularization.

3. The respondents have on notice entered appearance before this Court and filed the response and also brought on record a document whereby the petitioner has been shown to have been regularized in service vide order dated 05.03.2019.

4. In view of the fact that the respondents have already taken a decision for grant of regularization to the petitioner, this Court is of the opinion that the substantial compliance of the order of this Court stands complied with.
