Order on Board

09.05.2019

1. Challenge in this petition is to Annexure P/6, an advertisement dated 08.03.2019 published on 13.03.2019.
2. The challenge primarily is on the ground that the respondent-PSC has also allowed the candidates from the allied subjects for filling up of the post of Lecturer.
3. Taking into consideration the pleadings that has been made, what clearly reveals is that the petitioner belongs to unreserved category and the post of Lecturer against which the petitioner is claiming candidature is one which is reserved for OBC category. Since the post itself is exclusively reserved for a candidate belonging to unreserved/OBC category, the petitioner who is from unreserved category, in any manner, would not be able to participate in the said recruitment process. Therefore, the challenge to the said advertisement by the petitioner is totally uncalled for.

4. So far as the grievance of the petitioner that the department has not issued an advertisement for the unreserved category, the petitioner would be at liberty to approach the authorities for ventilating her grievances by making a suitable representation demanding for filling up of the vacant post lying in the department for unreserved category.
5. With the aforesaid observations, the writ petition stands dismissed.
