1. The claim of the petitioners in the present writ petition is for a direction to the respondents to consider their application forms which they have filled

for the post of Assistant Professor in the recruitment process initiated by the respondent No.2.

2. The contention of the petitioners is that, they applied for the post of Assistant Professor in the advertisement that was published on 23.01.2019, but their applications were not being accepted on-line. The petitioners have been informed that on account of not having NET/SLET/SET their applications were not being accepted.
3. The counsel for the petitioners submits that since the petitioners have got their post graduation and M.Phil in Bio Science and as Bio Science is not one of the subject for clearing NET/SLET/SET, they would be entitled for exemption for having NET/SLET/SET for applying for the said post.
4. On perusal of the contents of the writ petition and also the records enclosed with the writ petition, this court finds that the issue involved in the present writ petition has already been decided by this court in WPS No.2471 of 2019, decided on 12.04.2019 and WPS No.2303 of 2019, decided on 03.04.2019.
5. Given the aforesaid facts that this court has already decided the issue involved in this petition in the aforesaid two writ petitions, this court does not find any strong case made out by the petitioners to take a different view than what this court has already taken in the aforesaid two writ petitions.
6. Accordingly, for the reasons stated in WPS No.2471 of 2019, decided on 12.04.2019 and WPS No.2303 of 2019, decided on 03.04.2019, the present writ petition also is held to be devoid of merit and the same stands dismissed in similar terms.
