Order on Board

01/05/2019

1. This petition has been filed questioning the first information report dated 16-2-2013. In the meanwhile, after filing of the petition, charge-sheet has been filed and according to the documents filed before this Court, ten witnesses have already been examined. As such, at this stage, when the trial has progressed and particularly when most of the witnesses have been examined and more particularly when charge-sheet has not been questioned, I am not inclined to entertain this petition. However, the petitioner is at liberty to challenge the charge-sheet and subsequent action, in accordance with law.
2. With the aforesaid liberty, the petition stands finally disposed of.
