Order On Board

28.06.2019

1. The challenge in the present writ petition is to the order Annexure P-1 dated 13.10.2008 whereby the appointment order granted to the petitioner vide order dated 14.03.2008 has been cancelled.
2. The ground of cancellation of appointment was that during the course of enquiry it was found that all the appointments were fake.
3. The present writ petition has been filed in the year 2019. Apparently, there is a delay of more than 10 years in challenging the cancellation of appointment order. No justifiable reason has been assigned by the petitioner for challenging the cancellation of appointment after 11 years neither has the petitioner been able to give any cogent explanation as to what prevented her from challenging the order of cancellation of

appointment during these 11 years. The writ petition thus suffers from inordinate delay and laches.

4. The writ petition accordingly stands dismissed only on the ground of delay and laches.
