Order on Board

06.08.2019

1. The present petition has been filed seeking a direction to the respondents to consider the case of the petitioner along with other eligible candidates for appointment to the post of Cleaner/Attendant cum Watchman arising out the advertisement which was published on 24.11.2011.
2. This Court is of the opinion that writ petition is highly belated and suffers from delay latches. From perusal of the proceedings, it appears that, there have been revised advertisements also published on many occasions, meanwhile the petitioner did not put forth his claim except for making representation periodically. 8 to 9 years is a pretty long time for approaching the Court for getting the

relief of appropriate direction for considering his case for appointment.

3. The writ petition, thus suffers from delay and laches and is accordingly stands rejected.
