Heard.

1. Admittedly the period of grant of license has lapsed as on today. It is stated that after period of license has lapsed for last 25 years or more there is no renewal is made of license.
2. Considering the time period which has lapsed different people/ legal heirs may be in occupation of respective premises other than the licensee. The status of those persons are to be decided as per the existing circulars of railways. Therefore, it is observed in facts of case that if fresh representations/ applications are filed by the person for renewal of license they would be decided according to the existing applicable circulars. Therefore, the petitioners are at liberty to make a representation within a period of four weeks from today. Thereafter, the Railways shall decide the same in accordance with law. Consequently the earlier notices for eviction would not be given effect to as it has lived its life with passage of time of notice.
3. With the aforesaid observation, the petitions stand disposed of.
