1. The claim of the petitioner in the present writ petition is for a direction to the respondents to grant pensionary benefits by adding one increment which the petitioner was entitled for on continuous working for one year before the date of retirement.
2. The case of the petitioner is that, the petitioner retired on 30.06.2017 and was entitled for the benefit of one increment from 1st July. According to counsel for the petitioner, the petitioner was entitled for the increment for the services rendered in the previous year and therefore has earned the said benefit and while granting

pensionary benefits, that one increment which fell due on working for one year before the retirement in the previous year, should have been added for the purpose of determining pension and pensionary benefits.

4. Given the aforesaid decision of the State Govt. dated 11.06.2019, the respondents are directed to consider the case of the petitioner so far as adding one annual increment to the last wages drawn by the petitioner is concerned for the purpose of determining pension and retiral dues which the petitioner would be entitled for.
