CAV JUDGMENT

P. R. Ramachandra Menon, Chief Justice

1. The Petitioners, who are the elected office bearers of different Primary Agricultural Credit Co-operative Societies in the different districts of the State of Chhattisgarh are before this Court seeking to declare Clause-8 of the Reorganization Scheme, 2019 (Annexure P/1) as unconstitutional, invalid, arbitrary, beyond jurisdiction and to have it struck down accordingly.
2. Shri Prafull N. Bharat, learned counsel led the arguments on behalf of the Petitioners and we heard Shri Amrito Das, learned Additional Advocate General appearing for the State/Department.
3. The sum and substance of the contentions/submissions raised/made from the part of the Petitioners is that the Respondents have virtually decided to take over the management and administration of all the Primary Agricultural Credit Co-operative Societies in the State without any regard to the tenure of the elected bodies who came to power in a democratic exercise, that too; based on executive instructions, with reference to the Scheme as aforesaid.
4. It is stated that as many as 1333 Primary Agricultural Credit Co-operative Societies are there in the State. Even though, the report of the Registrar referred to in Annexure P/1 Reorganization Scheme says that only "some" of the Societies are decided to be reorganized, the exercise is sought to be pursued throughout the State, adversely affecting almost all the similar Co-operative Societies.
5. The learned counsel for the Petitioners points out that, by virtue of Clause-8 of Annexure P/1 Reorganization Scheme, right from the date of coming into operation of the Scheme, the elected Board in the affected Societies shall cease to work and in order to manage the business of the Society; any person

or persons may be appointed temporarily by the orders of the Sub/Assistant Registrar for the period stated in the order or till the election of the new Board.

6. In Clause-5 of the Annexure P/1 Reorganization Scheme, the procedure of reorganization is mentioned, where it is stated in sub-Clause (a) that copies of the said plan shall be sent to the affected Societies; upon which they shall submit their representation within 15 days; a member of that affected and resultant Society may submit representation to the Sub/Assistant Registrar within 15 days from the date of publication of the plan in the Gazette – sub-Clause (b); that the Sub/Assistant Registrar shall examine the representation and submit his opinion to the Registrar, who in turn shall forward the same to the Government along with his opinion within a further period of 15 days – sub-Clause (c); with the further stipulation under sub-Clause (d) that the Government shall dispose of the representation within 30 days, making it clear that it shall be final as mentioned under sub-Clause (e).
7. It is the case of the Petitioners that the said provision has been made otiose since Clause 1(b) of Annexure P/1 Reorganization Scheme stipulates that the plan shall come into force from the date of publication in the State Gazette, which has already been effected on 28.08.2019 and as such, there is no 'pre-decisional hearing'. The Petitioners are sought to be ousted from office with unwarranted haste, under the cover of reorganization. It is also stated that the Petitioners are not against reorganization, but they are against the undemocratic way in which, the elected bodies are sought to be thrown out from the office.
8. The Petitioners place reliance on various provisions of the Constitution of India (as amended 97th amendment in the Constitution) and in particular, Article 243ZJ which stipulates the tenure of the Society to be 'five years' from the date of election; adding that in the instant cases, they were elected quite recently and their tenure is still to be completed. This Court is aware that the 97th

amendment to the Constitution has been set aside as unconstitutional by a Division Bench of the Gujarat High Court, which however is pending consideration before the Apex Court, though no interim stay has been granted. But there is another contention for the Petitioners that tenure of the Societies is clear from the statutory provision, particularly Section 49(7-A) of the Chhattisgarh Co-operative Societies Act, 1960 (hereinafter referred to as 'the Act'), which makes it 'five years'. It is also stated that no notice has been issued to the Petitioners so far, as mentioned in Annexure P/1 Reorganization Scheme inviting objections or to file representation, if any. The Scheme does not say anything with regard to the contents of the report submitted by the Registrar or as to the ways and means as to how it is to be achieved by the Government by reorganization and there is a total vacuum in this regard, but for the eagerness to oust the elected bodies and take over the management. The course of action pursued is contrary to the mandate of Section 16 of the Act and in particular, as to the right of the affected parties/members to exercise an 'option', whether to continue to join the band or to get back their shares because of the change sought to be brought in. It is also pointed out with reference to Annexure P/2 dated 27.08.2019 produced in Writ Petition (C) No.3075 of 2019, that instructions have already been issued to all the District Collectors to take over the management and affairs of the Primary Agricultural Credit Co-operative Societies; which is an instance of clear malafides, showing undue haste in dealing with the matter.

9. Learned counsel for the Petitioners also placed reliance on the law declared by the Apex Court in the matter of ***State of M.P. and Others v. Sanjay Nagayach and Others*** reported in **AIR 2013 SC 1921** holding that an elected body cannot be simply thrown away like this, adding that the said judgment was rendered by the Apex Court in the light of mushrooming of several cases in different States projecting similar cause of action.

10. Shri Amrito Das, the learned Additional Advocate General submits that the idea as to the scope of applicability of the statutory provision, as understood by the Petitioners, is not correct. It is pointed out that the Government is having every power to frame a Scheme of reorganization in public interest under Section 16-C of the Act, which is totally different from the power and procedure specified under Section 16. It is stated that there is a 'non-obstante Clause' in Section 16-C, by virtue of which, the Scheme of reorganization can be formulated notwithstanding anything contained in any Act or Rules, which hence is equally applicable in respect of the tenure mentioned under Section 49(7-A) of the Act as well.
11. The learned Additional Advocate General further submits that the concept and nature of Primary Agricultural Credit Co-operative Societies is very important and that such Societies cannot do anything contrary to the purpose for which, they have been constituted by the State. Amongst the duties conferred upon the said Societies, it is mainly to make available loans to the farmers, distribute seeds and fertilizers and procure the Agricultural produce paying reasonable price prescribed by the Government; adding that the finance provided by the said Societies to loans is 'interest free'; thus with intent to drive out private money lenders from the field. It is also pointed out that there was no reorganization after 1964 and that the present scenario, which separates different areas/ villages with regard to natural boundaries, is causing much hardships to the farmers. Hence, an attempt was made by the erstwhile State Government in the year 2007 to bring about reorganization, which however did not succeed. There was a further move in the year 2013/2014 as well, which also did not come through and the task has now been taken by the present State Government, in the best interest of all concerned, adding that there is no instance of any malafides. The learned counsel submits that the elected bodies of the different Primary Agricultural Credit Co-operative Societies have come

into power on different dates and as such, there is no point in permitting or waiting till completion of tenure of any particular Society to have the reorganization implemented, as the expiry of the tenure of different Societies will definitely fall on different dates. It is in the said circumstance, that the Scheme has been sought to be implemented immediately and that election would be conducted without delay, when the Petitioners who are already in power can also contest. The said process is to be undertaken by the Election Commission, a totally independent body, where the State Government does not have any control or say.

12. It is pointed out that the opportunity to submit representation is to have the matter considered by the Government and to decide whether the Scheme requires any change or modification. This right is always there and will be considered and finalized in due course, by virtue of the powers specifically conferred upon the Government under sub-section (3) of Section 16 (C) of the Act. The attempt of the Government is only to bring about the 'territorial reorganization' and that the rights and interests of the Societies or its members are not intended to be adversely affected in any manner; submits the learned Additional Advocate General.
13. The learned counsel for the Petitioners placed a copy of the proceedings bearing No. F-15-35/15-02/2019 dated 27.08.2019 issued by the Department of the Co-operative, State of Chhattisgarh and addressed to all the District Collectors in relation to the appointment of the "authorized officers" in the Primary Agricultural Credit Co-operative Societies pursuant to Annexure P/1 Reorganization Scheme. It is mentioned therein that the State Government has decided for reorganization of all the 1333 Primary Agricultural Credit Co-operative Societies functioning in the State, which apparently is contrary to the 'preface' to Annexure P/1 Reorganization Scheme.

14. The above instruction further says that due to reorganization, the elected Board of Societies will cease to function and the competent authority will appoint authorized officers in the Societies. It is stated that in the Co-operative Department, large number of employees are not available, and therefore, the Government have decided also to appoint "Grade-III employees" of other Departments than Co-operative Department i.e. Agricultural and Revenue, as authorized officers; simultaneously giving other appropriate directions. This by itself is an indicator that the Government has not set the field, providing sufficient infrastructure to take over the management on reorganization and to run the Societies, protecting the interest of members and all concerned.
15. We heard the matter extensively with regard to the prayer for interim relief on 06.09.2019 and observed that the scope and contents of the report of the Registrar were not revealed in Annexure P/1 Reorganization Scheme; simultaneously observing that particulations of reorganization had to be ascertained. Insofar as there was no specific case against any particular Society, as to any lapse/default or mismanagement, taking over the 'Management' of the Societies from the body which came into power through a democratic process of election; that too abruptly and without any notice or opportunity of hearing was to be deprecated. More so, when the 'Management' and affairs of the Societies was sought to be entrusted to Grade-III employees of Agricultural and Revenue Department as per the proceedings dated 27.08.2019; who may not have any exposure and understanding as to the affairs of Co-operative Department or its laws. Observing that the plight of the Societies and the members cannot be predicted, we passed an interim order of stay with regard to the further proceedings pursuant to Annexure P/1 Reorganization Scheme dated 30.07.2019 and all other steps with regard to the proceeding bearing No. F-15-35/15-02/2019 dated 27.08.2019 appointing 'Authorized Officers'.

16. The State has filed their return dated 01.10.2019 denying all the averments and allegations raised in the writ petition and highlighting the steps taken by the Government to reorganize the Primary Agriculture Credit Co-operative Societies as a step for the benefit of all concerned. More so, when the field was lying dormant for nearly six decades after the formation of the Primary Agriculture Credit Co-operative Societies in the early 1960s, when it was part of the undivided State of Madhya Pradesh. It is pointed out that the Primary Agriculture Credit Co-operative Societies were constituted by the State Government at the lowest village level for a given area, depending upon the population and territorial lie and location. This was done looking at the geographical positioning of the village and the best connectivity between the group of villages who are clubbed together and placed in the particular Primary Agriculture Credit Co-operative Societies.
17. The larger object was to ensure co-operation and to develop Primary Agriculture Credit Co-operative Societies as a Co-operative institution at village level and model 'by laws' were framed by the Department, a copy of which has been produced as Annexure R/1. It is also pointed out that the Primary Agriculture Credit Co-operative Societies so constituted cannot engage themselves in any other activity, but for ensuring the welfare of the agriculturists who are directly associated to these Primary Agriculture Credit Co-operative Societies for their day to day activities, who in turn were functioning under the supervision of State Government extending benefits in implementation of Governmental policies. Considering the change came into effect after 1960, steps were taken to reorganize the Societies by bringing about a Scheme in the year 2007, a copy of which has been produced as Annexure R/2. Though much deliberation was done, it could not be implemented or executed despite all efforts and hence

steps were initiated again by the end of 2013 and early 2014 to bring about a new Scheme for reorganization of the Primary Agriculture Credit Co-operative Societies, as evident from Annexure R/3 and Annexure R/4.

18. Though some follow-up steps were taken in the year 2016, reorganization of Primary Agriculture Credit Co-operative Societies was remaining as an uncompleted task. It is stated that there is no political agenda or malice in reorganization of the Primary Agriculture Credit Co-operative Societies as alleged. Based on the 'sea change' of the factual situation, due to passage of time and the various demands for reorganization from different corners (which fact is sought to be established with reference to Annexure R/7), a detailed report was submitted by the Registrar of Co-operative Societies on 06.07.2019, a copy of which alongwith the Scheme was forwarded, as borne by Annexure R/8. It is asserted that the process of reorganization was a continuing one, which fact is sought to be substantiated by producing copies of 'note-sheets' of the file of the Registrar as borne by Annexure R/9, adding that State Government has shown no haste in notifying the Scheme of reorganization. It is pointed out that Section 16-C of the Act stands on a different pedestal, being a self-contained one and by virtue of the 'non-obstante clause', the other aspects dealt with elsewhere in the statute including the tenure of the Board as provided under Section 49(7-A) (i) of the Act are not attracted.
19. With regard to the averments raised by the Petitioners in the writ petition with reference to the incorporation of various provisions in the Constitution of India under Part IX B, including prescription of tenure under Article 243ZJ (2) by way of the 97th Amendment to the Constitution, it is pointed out that the said amendment has been declared unconstitutional by the High Court of Gujarat in ***Rajendra N. Shah vs. Union of India*** reported in **2013 SCC Online Guj 2242**. It is also pointed out that, though the said verdict has been subject to be

challenged before the Apex Court by filing SLP No. 25266-25267 of 2013 and the SLP is pending, no interim stay has been granted and as such, Part IX B of the Constitution does not exist as on date.

20. Contentions are raised with regard to violation of principles of natural justice as to denial of opportunity of hearing before issuing the Reorganization Scheme, pointing out that the situation covered by the Section 16 of the Act providing for reorganization by the Society itself is a matter of voluntary course, which is different from the course under Section 16-C of the Act where it is for the Government to bring about Reorganization Scheme, on getting satisfied of its requirement and this is saved by virtue of the specific 'non-obstante clause' contained therein. Section 16-C of the Act does not contemplate any show-cause notice to the members of the Societies and hence the idea of the Petitioner is wrong and misconceived. The Petitioner has filed rejoinder, virtually reiterating the submissions raised in the writ petition.
21. The pleadings and submissions made across the Bar clearly reveal that Section 16-C of the Act is not under challenge and the grievance is only with regard to Clause-8 of the Scheme, whereby the Administrative Management of the Societies concerned is sought to be taken over as temporary measure by the Respondents, under the pretext of the Reorganization Scheme for the Primary Agriculture Credit Co-operative Societies. The term Primary Agriculture Credit Co-operative Society defined defined under Section 2(u-ii) of the Act is as follows:

“2(u-ii) **“Primary Agriculture Credit Co-operative Society”** means a society organized with the main objective of making credit available for agriculture production and includes Primary, Service Cooperative Society and Adim Jati Sewa Sahakari Smiti;”

In fact, reorganization of a Society is possible under three different contexts, as dealt with under two different channels i.e. under Section 16 and Section 16-C of the Act. It will be worthwhile to extract the said provisions as well; to have an easy understanding, as given below:

“16. Reorganization of Societies.-

- (1) In this section-
 - (a) "affected society" means a society which decides to reorganize itself in any of the manners specified in sub-section (2); and
 - (b) "resulting society" means a society-
 - (i) which is formed as a result of amalgamation under clause (a) of sub-section (2); or
 - (ii) to which the assets and liabilities of the affected societies are transferred in whole or in part under clause (b) sub-section(2); or
 - (iii) which is formed as a result of division under clause (c) of sub-section (2); or
 - (iv) which is the result of change of class as provided in clause (d) of sub-section (2).
- (2) A society may, by resolution passed by two-thirds majority of the members present and voting at a special general meeting held for the purpose decide to reorganize itself by-
 - (a) amalgamating itself with another society; or
 - (b) transferring its assets and liabilities in whole or in part to any other society; or
 - (c) dividing itself into two or more societies; or
 - (d) converting itself into a class of society, the object of which is materially different from that under which it has been classified under this Act:

Provided that no such decisions shall take effect unless it is approved by the Registrar:

Provided further than in case of a Co-operative Bank, the Registrar shall not give his approval save with the previous sanction in writing of the Reserve Bank;
- (3) Notwithstanding anything contained in sub-section (2) where the Registrar is satisfied that it is essential in the public interest or in the interest of the members of the affected societies or necessary to secure the proper management of any society, he may direct that any society or societies shall reorganize itself or themselves in any one or more of the modes indicated in sub-section (2):

Provided that, in the case of a Co-operative Bank, the Registrar shall not issue any direction save with the previous sanction in writing of the Reserve Bank:

Provided further that before a final order under this sub-section is passed by the Registrar every society concerned shall be given an opportunity of expressing its opinion on the reorganization proposals.

- (4) The procedure for reorganization of a society in accordance with the decision under sub-section (2) or the direction of the Registrar under sub-section (3), as the case may be, shall be such as may be prescribed.
- (5) If any such reorganization under sub-section (2) or (3) is likely to affect in any manner the interest of any person, notice thereof shall be given to all such persons and every such person shall be given an option, to be exercised within a month from the date of the issue of such notice, of either becoming a member of the resulting society or societies or of demanding the payment of the share or interest or dues in respect of the affected society, as the case may be.
- (6) No reorganization shall be final until the assent of every such person whose interest is likely to be affected, has been obtained or deemed to have been obtained by virtue of his failure to exercise the option given to him, and further, unless all the claims of persons who have exercised the option of demanding the payment of their shares or interests or dues under sub-section (5) have been met in full.
- (7) Every resulting society under this section shall have such constitution, property, powers, rights, interests, authorities, duties and obligations as may be specified in the scheme of reorganization and every such scheme of reorganization may contain such consequential, incidental and supplemental provisions as may, in the opinion of the Registrar, be necessary to give effect to such scheme.
- (8) Notwithstanding anything contained in the Transfer of Property Act, 1882 (IV of 1882) or the Indian Registration Act, 1908 (XVI of 1908), a resolution of a society approved by the Registrar under sub-section (3) shall be sufficient conveyance to vest the assets and liabilities of each affected society in the resulting society or societies concerned, such vesting being subject only to the provisions of the scheme of reorganization.
- (9) The reorganization of societies shall not in any manner, whatsoever affect any right or obligation of the resulting society or societies or render defective any legal proceedings by or against the society or societies and any legal proceedings that might have been continued or commenced by or against the society or the societies, as the case may be, before the reorganization may be continued or commenced by or against the resulting society or societies.

- (10) Where any two or more societies have been amalgamated or a society has been divided or converted, the registration of such society or societies shall be deemed to have been cancelled on the date of registration of the amalgamated society or of the converted society or of the new societies into which the society may have been divided.
- (11) Where a land mortgage bank has been reorganized by amalgamation with a central bank, the amalgamated bank shall in respect of all transactions relating to the land mortgage bank business made on and after such amalgamation be deemed to be a land mortgage bank within the meaning of the law relating to Land Mortgage Banks for the time being in force.

Explanation.- For the purposes of this section "Central Bank" means a society with the words "Central Bank" or "District Bank" as part of its name and whose main object is to finance societies which are members of it and lie within a specified area.

- (12) Every scheme of such reorganization shall be published in the official Gazette for general information.

16-A.	xxx	xxx	xxx
16-B.	xxx	xxx	xxx

16-C. Government's power to make scheme of reorganization in the public interest.-

(1) Notwithstanding anything contained in this Act or the Rules made thereunder, if the State Government, on receipt of a report from the Registrar or otherwise, is satisfied that in the public interest it is necessary to reorganize any society or societies for the purpose of securing proper implementation of development programmes, the State Government, as it may deem necessary, may make such scheme of reorganization and issue orders to implement above scheme:

Provided that in case of a Co-operative Bank, prior sanction in writing of the Reserve Bank shall be necessary.

- (2) There shall be the provisions in scheme of reorganization regarding :-
 - (a) Method of reorganization;
 - (b) Procedure for reorganization;
 - (c) To the membership, registration, management, assets and liabilities, powers, rights, interests, duties, staff and conditions of employment of such society or societies which are made after reorganization;
 - (d) Such other consequential, incidental and supplementary provisions as may be necessary;
 - (e) Any other subject as may be deemed necessary by the State Government.

- (3) The State Government may modify or cancel any reorganization scheme made or issued any orders under sub-section (1).
- (4) The provisions regarding every reorganization scheme and the orders issued by the State Government shall be binding upon the interested parties.
- (5) Every scheme of such reorganization shall be published in the official Gazette for general information.”

22. Section 16 of the Act clearly shows that reorganization of the Society is possible if a resolution is taken by two third majority of the society in this regard, as mentioned under Sub-Section (2); however, subject to the condition as given in the proviso, that no such decision shall take effect unless approved by the Registrar. This means, it is clearly a voluntary act to be pursued by the Society itself, subject to approval by the Registrar. Under Sub-Section 3 of the Section 16 of the Act, notwithstanding anything contained Sub-Section (2), it is possible for the Registrar to direct the Society to be reorganized, if he is satisfied that it is essential in public interest or in the interest of the members of the affecting Society or necessary to secure the proper management of any Society, subject to the condition that, it can be invoked only after giving an opportunity of hearing on the proposal.
23. Sub-Section (5) of Section 16 of the Act stipulates that, whether it be reorganization under Sub-Section (2) or Sub-Section (3), notice thereof shall be given to all the persons who are likely to be affected in any manner and option is to be exercised within one month, either to become a member of the proposed society or demanding payment of the share or interest or dues in the affected Society, as the case may be. Sub-Section (6) of Section 16 of the Act places a further rider to the effect that, no reorganization shall be final, until assent of such person, whose interest is likely to be affected, has been obtained.

24. Coming to Section 16-C of the Act, no opportunity of hearing or assent of any person interested is envisaged and the power, which is vested upon the Government, to reorganize the Society or Societies is notwithstanding anything contained in the Act or the Rules. This being the position, the point to be considered and decided is whether the said power has been validly invoked and whether the course of action sought to be pursued as per Annexure P/1 and in particular Clause-8 dealing with the supersession of the Administration Management of the Society is correct and sustainable in the eye of law.
25. There is no dispute to the fact that the term of the elected Board of the Society is to be 5 years as given under Section 49(7-A) (i) of the Act and also as envisaged under Article 243ZL of the Constitution of India brought about as per 97th Amendment. As mentioned already, the 97th Amendment to the Constitution having already been set aside by the Gujarat High Court as per the decision cited by the **Rajendra N. Shah** (supra) and further since no interim stay has been granted by the Apex Court where the challenge is raised against the said verdict is pending, it cannot be said that the said provision is continuing in operation. But the fact remains that Section 49 (7-A) (i) still stands and when the statute stipulates the tenure of 5 years, could it be washed off by Clause-8 of Annexure P/1 scheme, is the question. Since Section 16-C of the Act confers power upon the Government to bring about Reorganization Scheme, notwithstanding anything contained in the Act or Rules, the situation is taken over by the 'non-obstante clause' and if the proceeding is validly issued under Section 16 (C) of the Act, the other provisions including the tenure prescribed under Section 49 (7-A) (i) of the Act cannot come into play. We answer the position in favour of the State in this regard.
26. As noted earlier, the question is whether Annexure P/1 has been validly issued in terms of Section 16-C of the Act ? The learned counsel for the Petitioner points out that, though the notification dated 30.07.2019 issued in this

connection refers to the report of the Registrar, to the effect that need was felt by the Government that 'some' Primary Agriculture Credit Co-operative Societies were to be reorganized, steps were taken by the Respondents to effect reorganization in respect of all the 1333 Primary Agriculture Credit Co-operative Societies in the State. The en-mass reorganization in this regard does not tally with the projected cause for reorganization with reference to the changes in the lie and location, topography extent and coverage of various villages; the access/connectivity by roads, rail, bridges and such other circumstances and the purpose of creation of Primary Agriculture Credit Co-operative Societies with reference to implementation of the developmental activities in the State. It is also pointed out that the various obligation/responsibilities stated as to be carried out by Primary Agriculture Credit Co-operative Societies, as put forth by the learned Additional Advocate General, are actually not the objects to be met by such Societies, as they are constituted only to meet the requirements under Section 2(u-ii) and nothing else. We find it difficult to accept the said submission completely, as the terminology used under Section 2(u-ii) is with reference to the 'main object' which does not leave out the incidental objects, if any. There may be such other incidental activities in terms of the 'by laws' approved by the Registrar and hence this cannot be a ground of attack for the Petitioners. The 'main object', as put forth by the learned Additional Advocate General, is to make available credit at '0% interest' to the farmers, as per the policy of the Government, by way of short terms loans. The other objectives are to supply seeds/fertilizers to the farmers at subsidise rate and steps with regard to the procurement of agricultural produce from the members/farmers for a minimum support price, to ensure that the farmers are not trapped or exploited. The version of the Petitioners is that, as per the mandate of the Section 10 of the Act, the Societies are classified as Consumer's Society, Farming Society, Federal Society, Central

Society, Housing Society, Marketing Society, Multipurpose Society, Producers' Society, Processing Society, Resource Society, General Society and Industrial Society and such Societies are separately defined under Section 2 of the Act. Insofar as separate Societies are to be formed, conferring different tasks, it cannot be the task or look out to the Primary Agricultural Credit Co-operative Societies whose job is only to provide credit to the farmers as mentioned under Section 2(u-ii). We do not find any merit in the said submission; for the reason noted already.

27. With regard to the invocation of power under Section 16-C of the Act, the learned counsel for the Petitioners highlighted the absence of requirements under the provision, particularly with regard to the absence of recording 'satisfaction' of the Government for bringing about the Reorganization Scheme, with reference to the 'notings' in the file of the Registrar. The learned counsel submits that all has transpired on a single day i.e. on 28.06.2019, as revealed from the endorsements made by the Assistant Registrar, Additional Registrar and Registrar. It is pointed out that, though a Committee to be headed by the Managing Director of the State Co-operative Bank, to find the ways and means was constituted as per proceeding dated 24.12.2016, report of the Committee was stated as not received by the State Government and hence the file was put up for further action on 28.06.2019. Referring to the said 'note' in the file, the Additional Registrar has endorsed that a meeting of the Managing Director of the Apex Bank and the Joint Registrar can be convened, to meet the situation, as per the endorsement dated the same day i.e. 28.06.2019 in terms of the 'wishes of the Government'. With reference to the said 'note', the Registrar endorses on the same day i.e. on 28.06.2019 and orders to call for the meeting as above on 01.07.2019, with a direction to prepare the 'agenda' and also to call for a Draft of the Reorganization Scheme from the Managing Director of the Apex Bank and the Joint Registrar, to be sent to the Government under Section

16-C of the Act. What transpired thereafter, is not known. It is all of a sudden, that report of the Registrar comes on 06.07.2019 with the Scheme and hence there is no 'satisfaction' of the Government, to have reorganization in terms of Section 16-C of the Act, submits the learned counsel.

28. The learned counsel for the Petitioners submits that the hidden agenda is only to pull down the duly elected bodies, particularly the representatives of the Primary Agriculture Credit Co-operative Societies in the Apex Bank. The version of the Respondents with reference to Clause-8 of the Annexure P/1 Scheme (in relation to the three tier structure of the institution with Primary Agriculture Credit Co-operative Societies at the bottom level, Central Societies at the District/Block level and Apex Society at the State level) and with reference to Annexure R/7, that requests were received by the Government from different corners in this regard was not a sufficient ground to have ordered reorganization in terms Section 16-C of the Act; insofar as some of such requests made by the Gram Panchayat were only to open new Primary Co-operative Bank in their areas. Reorganization was sought for only by 12 Societies, with other requests from other corners. The so-called 12 Societies were not having any representative capacity and if at all they wanted to have reorganization, they could have done it in terms of Section 16(ii) of the Act taking a voluntary course in terms thereof or could have caused it effected under Section 16(iii) on the basis of satisfaction and the action of the Registrar. En-mass reorganization by the Government, without proper and valid inputs and without recording proper 'satisfaction', is not correct or sustainable in law, submits the learned counsel; adding that Section 16-C of the Act visualizes only exceptional circumstance.
29. The learned counsel for the Petitioner in Writ Petition (C) No. 3221 of 2019 and Writ Petition (C) No. 3222 of 2019 submits that in a Scheme for reorganization, there shall be provisions for various requirements, which includes

'management' as well. But Section 16 (2) (C) dealing with management does not say anything with regard to 'supersession' of the elected body. In fact, supersession is envisaged only under Section 53 of the Act and as per Section 48 of the Act, the management of the Societies always stands vested upon the members. But, by virtue of Clause-8 of Annexure P/1 scheme, it is thrown to wind, which is ultra vires to Section 48 and 53 of the Act. It is also added that the attempt to cause to manage the Societies through 'Class-III employees' of other Departments (Agriculture and Revenue) is totally alien to the scheme of the Act. Reliance is sought to be placed on the verdict passed by the Division Bench of Madhya Pradesh in the case of **Kamta Prasad vs. Registrar, Co-operative Societies, Madhya Pradesh and Another** reported in **AIR 1967 MP 211** to explain the concept of co-operative movement, which is a democratic process; besides placing reliance on the verdicts passed by the Apex Court in the case of **K. Shantharaj and Another vs. M.L. Nagaraja and Others** reported in **AIR 1997 SC 2925** and in the case of **Jt. Registrar of Co-operative Societies, Kerala vs. T.A. Kuttappan and Others** reported in **AIR 2000 SC 2378**, asserting in categorical terms that the Administrator appointed has no power to enroll new members; thus, explaining the scope and meaning of the word 'management', which in fact is upon the members of the Societies and the elected body chosen by such members.

30. Shri Rajeev Shrivastava, the learned standing counsel appearing for the Election Commission submits that the Election Commission is only a formal party and no relief is sought for against them. It is also pointed out that the Government/Department had placed a request to postpone the election, with reference to the ongoing steps for reorganization of the Primary Agriculture Credit Co-operative Societies and in the said circumstance, the election has been postponed on 05.08.2019.

31. With regard to the satisfaction of the Government to invoke the power under Section 16-C of the Act for reorganization of the Societies, it can be done either 'on the basis of the report of the Registrar' or 'if the Government is otherwise satisfied'. During the course of hearing, the original files of the Registrar and those of the Government were produced by the learned Additional Advocate General. The original file of the Government starts with the 'first page entry' dated 01.07.2019, with the endorsement made by the Hon'ble Minister for Department of Co-operative Affairs as to necessity to reorganize the Societies in view of the developments occurred during the past several years. But the 'notings' in the file of the Registrar (with reference to the endorsements made on 28.06.2019 as to the meeting scheduled to be held between the Managing Director and the Joint Registrar on 01.07.2019 or its outcome) are not connected to the proceedings of the Hon'ble Minister, leading to the order dated 01.07.2019.
32. Despite the specific query raised by the Court and inspite of the best efforts made by the learned Additional Advocate General, also availing the assistance of the senior officials representing the State/Department present in the Court, it was not satisfactorily explained. It was submitted before the Court that, pursuant to the endorsement on 28.06.2019 in the file of the Registrar, letters were sent to convene a meeting on 01.07.2019. Though the meeting was held on 01.07.2019, no deliberations were made and no minutes were recorded. If that be the position, there is a vacuum or a missing link in this regard; in the file placed before the Hon'ble Minister who passed an order on 01.07.2019 recording 'satisfaction' of the need to have the Reorganization Scheme, giving further directions.
33. Another major discrepancy is that, pursuant to the above order passed by the Hon'ble Minister on 01.07.2019, as revealed from the Government file, it was ordered to be communicated and a letter was directed to be issued to the

Registrar. The letter dated 05.07.2019 issued from the Ministry reached the office of the Registrar situated nearby, only on 11.07.2019 as borne by the endorsement/seal affixed on the original letter placed as part of the original file of the Registrar. If the order dated 01.07.2019 of the Hon'ble Minister reached the Registrar only on 11.07.2019, how could the Registrar call for 'Draft of the Scheme' and forward the Scheme on '06.07.2019' (which has been referred in the notification as the basis for having ordered reorganization), remains a matter of mystery and remains unexplained.

34. Question is whether the challenge raised by the Petitioners against 'Clause-8' of Annexure P/1 Scheme is having any basis and if the stand of the Respondents in taking over the 'Management' pursuant to reorganization and entrusting it with Class-III officers of other Departments (Agriculture and Revenue) till proper election is conducted, could be sustained.
35. Considering the above question in the larger perspective, particularly in public interest, the State has to satisfy the rationale for taking the decision. It remains a fact, that the Societies Act was brought about in the year 1960 and the Primary Agriculture Credit Co-operative Societies were formed immediately thereafter. The object of creation of such Societies was more with intent to provide a helping hand to the farmers for implementing the various developmental measures brought about by the State, as a matter of policy, including to provide credit at 0% interest. Various developments have taken place during the past six decades, during which period, the lie, location, topography and accessibility have undergone drastic changes. Connectivity by different ways and means has been established by constructing roads, bridges and such other measures. The 'need of the hour' with reference to the benefits obtainable to the agricultural farmers is not disputed by the Petitioners. In other words, there is no dispute for the Petitioners as to the need for reorganization and there is no challenge against the Reorganization Scheme as such or

Section 16-C of the Act. This is more so, in view of the repeated assertion made by the learned counsel for the Petitioners during the course of hearing that they are not challenging the statutory provisions and that they are not against the reorganization, but for the grievance against Clause-8 of the Annexure P/1 scheme providing for supersession of the Management of the elected Boards and nothing else. There is no prayer in the writ petitions to set aside the Reorganization Scheme or to declare the course and proceedings with reference to Section 16-C of the Act as invalid. No specific pleadings have been raised in this regard as well, except to interdict 'Clause-8' of Annexure P/1. In view of the settled law that, no relief which is not claimed in the writ petition can be granted, we do not find it necessary to go into these aspects since the provision i.e. Section 16-C of the Act envisages the action by the Government not only on the report of the Registrar, but also if it is satisfied otherwise. Sequence of events referred to as to the need felt to reorganize the Societies by the passage of time, futile steps taken in the year 2007, initiation of fresh steps in the year 2013-14 and the various proceedings pursued in the year 2016 lead to an inference that the Government was feeling it necessary and was satisfied to have the reorganization in terms of the Section 16-C and we hold it accordingly.

36. As pointed out by the learned counsel for the Petitioners, the 'Management' of the Society is always vested upon the members, as envisaged under Section 48 of the Act. The management in all respects cannot be taken over by the Departmental Authorities except for limited extent, as it is necessary to meet the stop gate arrangement, as made clear in the Apex Court in ***K. Shantharaj and Another*** (supra) holding that the Administrator cannot enroll new members of the societies. Validity of Clause-8 of Annexure P/1 Scheme has to be considered in this context.

37. Clause-8 of Annexure P/1 reads as follows:

“08. प्रबन्ध:—

(क) योजना प्रभावशील होने के साथ ही प्रभावित सोसाइटियों तथा परिणामी सोसाइटियों में जहाँ कहीं निर्वाचित बोर्ड होगा, वह तथा ऐसी सोसाइटी का प्रतिनिधि कार्य करने से परिविरत हो जाएगा तथा सोसाइटी के कामकाज का प्रबंध करने के लिए, उप/सहायक पंजीयक के आदेश द्वारा किसी व्यक्ति अथवा व्यक्तियों को अस्थायी रूप से आदेश में उल्लिखित कालावधि तक के लिए अथवा बोर्ड के नये निर्वाचन होने तक के लिए नियुक्त किये जा सकेंगे। एकाधिक व्यक्तियों की दशा में कोई एक व्यक्ति को अध्यक्ष नियुक्त किया जाएगा। परन्तु अशासकीय व्यक्ति/व्यक्तियों को नियुक्त करने की दशा में वह या वे ऐसे व्यक्तियों में से होंगे जो उस सोसाइटी के सदस्य हो।

(ख) नवीन सोसाइटियों का प्रबन्ध, उसे रजिस्ट्रीकृत करने वाले अधिकारी के आदेश द्वारा अस्थायी रूप से नियुक्त किसी व्यक्ति या व्यक्तियों में निहित होगा।

(ग) प्रभावित सोसाइटी, परिणामी सोसाइटी तथा नवीन सोसाइटी का प्रतिनिधित्व प्रतिनिधि का नया निर्वाचन होने तक वह व्यक्ति करेगा जिसे उपरोक्त कंडिका (क) में विहित अनुसार नियुक्त किया गया हो परन्तु व्यक्तियों की दशा में उनके संकल्प द्वारा प्रतिनिधि की नियुक्ती की जाएगी।”

The translated version of Clause-8 as given by the learned counsel for the parties pursuant to the order dated 02.09.2019 passed by this Court is to the following effect:

“8. Management :-

(a) Right from the time of the Plan coming into effect, wherever there will be an elected Board in the affected societies and the resultant societies, the same and the representative of such society shall cease to work and in order to manage the business of the society any person or persons may be appointed temporarily by the orders of the Sub / Assistant Registrar for the period stated in the

order or till the election of new Board. In case of more than one person, a person shall be appointed President but in the event of appointing non-government person / persons, he or they shall be among the members of the society.

(b) The management of new societies shall be vested in any person / persons appointed temporarily by the orders of the officer registering the societies.

(c) Till the election of new representative, the person appointed in accordance with aforesaid clause (a) shall represent the affected society, resultant society and new society but in case of persons, the representative shall be appointed through their resolution.”

38. It is pointed out from the part of the Government that the reorganization is 'District wise' and not State wise and that the Registrar has forwarded different Schemes for different Districts, depending upon the requirements; adding that they have been notified on different dates in the official gazette, crux of which has been given below:

“DETAIL OF NOTIFICATION

39. It is brought to the notice of this Court, as discussed already, that after issuing Annexure P/1 notification, another instruction bearing No. F-15-35/15-02/2019 dated 27.08.2019 was issued by the Secretary to the Chhattisgarh State Department of Co-operative to all District Collectors appointing Grade-III employees of other than Co-operative Department (Agriculture and Revenue) as 'Authorized Officer' to take over the 'management' because of paucity of sufficient Officers in the Co-operative Department. The said Circular reads as follows:

“State of Chhattisgarh

In the cooperative department large number of employees were not available therefore Government had decided also to appoint grade-III employees of other than Cooperative department (Agriculture and Revenue) as authorized officer.

40. As mentioned already, what made the Government/Department to incorporate 'Clause-8' to supersede the elected office bearers of the Societies and entrust the 'management' with and 'Authorized Officer' that too, to the Grade-III employees of other Departments (Agriculture/Revenue) is not explained either in the reply or during the course of arguments; nor is it revealed from the files. The doubt expressed by this Court in the interim order dated 06.09.2019 as to how it can be managed by such persons, who are having absolutely no knowledge, experience or access with the law and procedure of the Co-operative Department is not answered by the Respondents-State/Department. There is no case for the Respondents that, any of the circumstances to supersede the 'management' as envisaged under Section 53 of the Act or such other contingency is brought to the notice of this Court. So also, there is no case for them that there is any defect or lapse or mismanagement of the Primary Agriculture Credit Co-operative Societies. The only case is that, by virtue of the changes resulted because of the nature, lie and location of the various villages/boundaries/roads/bridges/accessibility and the changes occurred during the past several years, reorganization was to be effected. Insofar as there is no objection against the reorganization, it is quite open and possible for the Respondents to proceed with such steps pursuant to Annexure

P/1 Scheme, but why should there be a supersession of the elected bodies is the only question. Since there is absolutely no explanation from the part of the Respondents, this Court of the firm view that the elected bodies brought to power through a democratic exercise cannot be thrown down in a casual manner, leaving it to be managed by Class-III Government employees belonging even to other Departments like Agriculture and Revenue, who do not have any acquaintance with the functions, affairs or laws governing the field. This otherwise will only promote utter chaos and will be detrimental to rights and interest of the members/beneficiaries/farmers of such Societies. This is not the intention of the law makers, when the provision was incorporated (Section 16-C) as part of the Act, which does not confer or envisage 'supersession', for giving effect to the reorganization.

41. It does not mean that the Respondents have to wait till expiry of the term or tenure of the elected bodies. The Respondents may be correct in saying that massive reorganization is called for, where several Societies are involved because of the circumstances which lead to the reorganization due to the various developments taken place during the past several decades and the eligibility of the members to be attached with the particular Society. Changes to be effected in one Society may affect the neighbouring Society as well; thus, involving a chain reaction, with cascading effect. The Government is justified in pointing out that the tenure of one Society may be different from the other and the Government cannot wait endlessly to have the tenure expired, as there cannot be a common date to bring about the reorganization. But this does not mean that, for effecting such reorganization, the 'management' has to be taken over. The Government/Department is free to effect the reorganization at any time, and based on the reorganization, it can cause the election to be conducted; after getting the voters' list prepared in accordance with law. But this exercise can be done by the elected body already in office, insofar as there is

no allegation against them with reference to any fault/lapse or any mismanagement. As it stands so, we are of the view that Clause-8 of Annexure P/1 Scheme providing for 'supersession' of the Societies, entrusting the 'management' to Authorized Officers of the Department and the subsequent proceedings dated 27.08.2019, whereby Assistant Grade-III employees of the Agricultural and Revenue Department have been appointed as Authorized Officers do not stand the test of law and are liable to be struck off. It is ordered accordingly.

42. In the above circumstances, while upholding the course of action sought to be pursued by the Government for reorganization of the Petitioners-Agricultural Societies in terms of Section 16-C of the Act, we make it clear that further steps could be pursued by the Respondents to give effect to the same, in terms of the Schemes as notified and subject to the procedure as mentioned therein, however continuing to vest the 'management' of such Societies on the elected bodies who exist as on date.
43. The original files produced before this Court during the course of hearing stand returned to the learned Additional Advocate General.
44. We make it clear that the above discussion is only with reference to the scope of reorganization sought to be effected under Section 16-C of the Act and as to the sustainability of Clause-8 of Annexure P/1 Scheme. It is not with regard to anything else.
45. The writ petitions are allowed to the said extent. No cost.
