Petition for review**(By Circulation in Chamber)****DB : Hon'ble Shri Justice Manindra Mohan Shrivastava****Hon'ble Smt. Justice Rajani Dubey****(Order passed on 24/09/2019)**

The appellant seeks review of order dated 10.07.2018 by which the Court granted permission to the applicant/respondent No.1 to file appeal as an indigent person. The order was passed after hearing both the parties. The disclosure made by the appellant in the present application does not warrant review or recall of earlier order. In reaching this conclusion, we have taken into consideration that huge amount of Court fee is required to be paid and further that in the judgment and decree appealed against, it has been already ordered that the security amount deposited by the

respondent would be adjusted against liability under the decree. Therefore, no case for review is made out. The application is dismissed.
