Heard.

This review petition was filed by the Bank seeking modification of the order passed by this Court only up to the extent of liability for interest in respect of the period beyond 21/04/2009 up to realisation. Later on, a modification application has also been filed.

2. Learned counsel for the petitioner would argue that even though the acknowledgment of liability is for a total sum of Rs.3,74,000/-, the interest was

calculated up to 21/04/2009, though letter was issued in 2012. Therefore, the appellant is entitled to payment of interest not from 24/03/2012 but from 21/04/2009.

3. Submissions which are now advanced before this Court were not raised at the time of arguments before us. Otherwise also, we find that the liabilities which were acknowledged, was on the basis of letter (Ex.P/9). Therefore, we are not inclined to modify the judgment passed earlier. This review petition is accordingly dismissed.
