Hon'ble Smt. Justice Rajani Dubey
Order on Board

Per Manindra Mohan Shrivastava, J.**28-01-2019**

The petitioner, who appears in person, submits that looking to the seriousness of offence, it has become imperative that local amendment should be brought by the legislature of the State to make those offences triable by the Court of Sessions. In support of his submission, the petitioner in person submits that in other States, steps have been taken to carry out local amendment in the Code of Criminal Procedure, 1973.

2. We are afraid, such directions cannot be issued by this Writ Court directing the legislature to carry out any amendment in the existing laws.
3. It is for the concerned legislature to take decision in the matter as to whether or not any such amendment would be necessary. We leave the matter without expressing any comment much less issuing any mandamus to the legislative bodies.
4. The present PIL appears to be misconceived in law and therefore, dismissed.
