Order

20/11/2019

1. The grievance of the petitioner is that the petitioner has been transferred vide order dated 8/11/2019 from Integrated Child Development Project, Keshkal, District Kondagaon to Integrated Child Development Project, Kondagaon-2, District Kondagaon which is 80 kms away. It is contended that transfer was made during the ban period and since the daughter of the petitioner is studying she may be transferred to a nearby place near Keshkal.
2. Learned State counsel submits that hardly distance in between Keshkal to Kondagaon-2 is 30-35 kms or little more.
3. Considering the fact the submission made and after perusal of the transfer order, I do not find any plausible reason to interfere as transfer is incidence of service, unless and until it is malafide or illegal normally interference in transfer is uncalled for. However, the petitioner is given liberty to make a representation before the Grievance Redressal

Committee. If such representation is filed, same may be decided as early as possible.

4. With such observation, the petition stands disposed of.
