Order On Board

19/12/2019

1. By order dated 25.02.2019 in WPC No.618 of 2019 this Court had directed the respondents No.2 and 3 therein to decide the petitioner's representation for grant of interest by

passing of the award and its disbursement to the petitioner within a period of 04 months from the date of representation. Admittedly, the representation has been decided by an order dated 12.07.2019 (Annexure-C-3)

2. It is argued that while deciding the representation forged document has been considered. It is also submitted that there is no explanation in the order explaining the delay for certain periods.
3. Therefore, once the representation is decided, may be at some non-existent ground or by not properly explaining period during which the disbursement was not made, the remedy for the petitioner lies in moving a fresh petition.
4. In view of the above, the present contempt petition is disposed of with liberty to the petitioner to move fresh writ petition.
