IN RC/77/2018

RAMA LAXMAN JADHAV
VERSUS
BHIVA CHANGDEV JADHAV AND THERS

...
Advocate for Applicant : Mr. Gangakhedkar Shailendra
...

CORAM : SMT. VIBHA KANKANWADI, J.

DATE : 19th JULY 2019

ORDER :

. Present application has been filed for getting the order of learned Registrar (Judicial) dated 13.12.2019 set aside. By the said order, the registration of the appeal was refused as the appellants had failed to remove the office objections within time, even after availing opportunities.

2. Now the appellant has shown readiness to remove those office objections. Taking into consideration this fact, the said order passed by learned Registrar (Judicial) is hereby set aside. Needless to mention that since in the main appeal notices were not issued to respondents, there was no necessity to issue notices to the respondents in this application. Delay, if any, caused in presenting this application

stands condoned. Civil Application is allowed.

3. Appellant to remove all office objections on or before 16.08.2019. However, in case of failure on the part of the applicants to remove the office objections within the aforesaid period, then the registration of the appeal would stand refuse automatically.
