DATE: 25th January, 2019

PER COURT:-

1 By filing the present applications the Acquiring Body has sought further extension for depositing the amount of compensation as has been directed by this Court.

2 The record reveals that previously atleast on three occasions the time has been extended by this Court for

depositing the amount of compensation by the Acquiring Body. In the last such order passed on 17.10.2018, it has been specifically mentioned that the said extension was granted finally. In the circumstances, I am not inclined to allow further extension. The applications, therefore, stand rejected.
