CORAM : P.R.BORA, J.
DATE : 7th February, 2019

ORAL JUDGMENT

1. FA Nos.1656/2004 & 1661/2004 are not on Board. Taken on Board.

2. Since all these appeals are arising out of the acquisitions made for Krushnur Industrial Area, though Reference Court has passed separate judgments in the respective Land Acquisition References (LARs), I have heard common arguments in all these appeals and I deem it appropriate to decide these appeals by common reasoning.

3. When the present group of appeals was taken up for hearing, at the outset, it was pointed by learned counsel appearing for the parties, that

some of the connected appeals, arising out of the same acquisition proceedings, have been decided by this Court. Copies of the order passed by this Court in FA No.641/2001 with connected appeals decided on 2nd March, 2015 (Coram: M.T.Joshi,J.); copy of order passed in FA No.3536/2008 decided on 21st February, 2013 (Coram: S.V.Gangapurwala,J.) and copy of judgment and order passed in FA No.348/2003 with connected appeals decided on 10th February, 2014 (Coram: K.U.Chandiwal,J.), are placed on record.

4. I have perused the judgments, which are impugned in the present appeals. I have also perused the judgments delivered by this Court in the First Appeals referred to in para 3 above. It is not in dispute that the lands, which are involved in the present appeals as well as the lands which were the subject matter in the First Appeals referred in para 3 above, decided by three different judgments by this court, were acquired for the establishment of Krushnoor Industrial Area. Perusal of the judgment delivered by this court (S.V.Gangapurwala,J.) in FA No.3536/2008 reveals

that, to the land which was involved in the said appeal acquired for the establishment of Krushnoor Industrial Area, the Special Land Acquisition Officer had offered the compensation @ Rs.38000 per hectare and the Reference Court had enhanced it to Rs.53,000/- per hectare. Though the MIDC challenged the enhancement granted by the Reference Court, this Court refused to cause any interference in the amount of compensation enhanced by the Reference Court.

5. In another judgment delivered by this Court (Coram: K.U.Chandiwal,J.) on 10th February, 2014 in FA No.348/2003 with connected appeals filed by MIDC, Latur, the lands which were involved were also acquired for the establishment of Krushnoor Industrial Area. The contents of para 6 of the said judgment reveal that the Special Land Acquisition Officer had offered the compensation to the lands involved in the said matters at the rates ranging between Rs.40,000/- to Rs.49,000/- per hectare and the Reference Court had enhanced the compensation at the rates ranging between Rs. 50,000/- to Rs.64,000/- per hectare. By giving the

elaborate reasons, this Court dismissed all the said appeals filed by the acquiring body, vide the aforesaid judgment delivered on 10th February, 2014.

6. The third judgment delivered by this Court (Coram: M.T.Joshi,J.) on 2nd March, 2015 in FA No. 641/2001 with connected appeals also pertains to the acquisitions made for Krushnoor Industrial Area. In the aforesaid common judgment delivered by this Court, some appeals were filed by the claimants seeking enhancement in the amount of compensation awarded by the Reference Court; whereas some appeals were preferred by MIDC, Latur, taking exception to the compensation enhanced by the Reference Court. Perusal of the said judgment reveals that, to the lands involved in the said matters, the Special Land Acquisition Officer had offered the compensation at the rates ranging between Rs.44000/- to Rs.47,000/- per hectare and the Reference Court had enhanced it at the rate ranging between Rs.57,000/- to Rs. 59,000/- per hectare. This Court has rejected all the said appeals, meaning thereby that no

interference was caused by this Court in the amount of compensation as was granted by the Reference Court in the said matters.

7. As I noted herein above, there is no dispute that the lands, which were the subject matter of the appeals decided by this Court, vide the aforesaid three judgments and the lands which are the subject matter of the present appeals, were acquired for the establishment of Krushnoor Industrial Area, vide the same notification under Section 4 of the Act and the Award under Section 11 of the Act in that regard, was also of the similar date. In the present appeals, the Special Land Acquisition Officer had offered the compensation at the rates ranging to Rs.40,000/- to Rs.47,000/- per hectare and the Reference Court has enhanced the same at the rates ranging between Rs.50,000/- to Rs. 62,000/- per hectare. It is thus evident that the compensation, as was offered by the Special Land Acquisition Officer towards the acquisition of the lands involved in the present appeals and the compensation as was offered to the lands which were the subject matter of the appeals decided by this

Court referred in para 3 above, was also almost at similar rates and the enhancement granted in the said amount of compensation by the Reference Court in all the decided appeals and the present appeals is more or less similar.

8. After having considered the facts, as aforesaid, and after having carefully perused the judgments impugned in the present appeals, it does not appear to me that there is any scope for causing any interference in the amount of compensation as has been enhanced by the Reference Court in the respective LARs. All these appeals filed by the acquiring body therefore, deserve to be dismissed and are accordingly dismissed, however, without any order as to costs. Pending civil application, if any, stands disposed of. The amounts of compensation, deposited by the acquiring body in the present appeals in this Court, are permitted to be withdrawn by the respective claimants in terms of the respective Awards passed in the respective LARs.
