R.G. AVACHAT, JJ.  
DATED : 19<sup>th</sup> MARCH, 2019**

**ORDER :**

None for petitioner. There has been no interim relief granted since 2014. It further appears that petitioner is not keen on to prosecute the matter. It has been pending since 2014. It had been called out yesterday. However, there had been no appearance on his behalf. As such, the matter had been kept on board today.

2. When the matter is called out today, there is no appearance today also. Writ Petition, therefore, is dismissed for non prosecution.
