DATE : 01st FEBRUARY, 2019

O R D E R :

Seen the order made by this Court dated 21.1.2019. One petitioner has already withdrawn the application which was given before the Authority and there is only one petitioner now before this Court.

2. The time was given to the counsel for the petitioner only to verify the things. Again time is sought today. The matter is dismissed for non prosecution.

3. In second session the learned counsel holding for Mr. Gaware for petitioners made statement that he had communicated about the pendency of this matter and steps which need to be taken by petitioner No. 1, but petitioner No. 2 has not turned up. In any case matter needs to be disposed of for non prosecution and is already disposed of.
