P.C. :-

. After hearing learned counsel for parties, it emerges that with reference to advertisement, application of petitioners itself had been quashed and set aside under a decision rendered at Nagpur by division bench of high court. Thereafter, new policy has been framed in the year 2017. Accordingly, a resolution had been also passed and in the process, following the resolution, the petitioner had not participated.

2. In view of aforesaid, it does not appear that the

petition, carries substance, worth entertaining the same. Writ
petition, therefore, is rejected and disposed of.
