PC. :-

This is an application for condonation of delay by the claimant who intends to prefer Appeal against the order passed by the Motor Accident Claims Tribunal, being aggrieved by the insufficiency of the quantum of compensation.

2. The learned advocates for the respondents strongly oppose the request.

3. For the reasons mentioned in the application, one can easily discern that there was indeed sufficient cause which had prevented the applicant who is a lady aged more than 50 years not to prefer appeal in time. The application is allowed. The delay is condoned.
