P.C. :-

. Learned counsel for the petitioner draws our attention to order passed by the division bench of this court dated 08-03-2019 in a group of writ petitions bearing No. 4921 of 2018 and companion matters and submits that very same issue raised as in present writ petition had been involved in said group of writ petitions. In view of statement made by the Advocate General before the Principal Seat at Bombay in writ petition No. 14046 of 2017 with connected writ petitions that impugned government resolution would not be given effect to and a fresh government resolution had been issued, challenge to resolution would not survive and the purpose of writ petition stands served.

2. Since the impugned government resolution does not survive and consequently purpose underlying writ petition gets worked out, the writ petition is disposed of with liberty as referred to in that order.

3. In view of disposal of the writ petition, the civil application does not survive and is disposed of.
