***PER COURT :***

1. Shri Bagul, learned Advocate appearing on behalf of the Applicant / original petitioner submits that a correction needs to be carried out in paragraph Nos. 11 and 12 of the judgment of this Court dated 01/02/2016 delivered in Writ Petition No. 8104/2015, on the basis of events that have occurred after this Court delivered the judgment.

2. He further submits that this Court had concluded that it would not interfere in the order of reinstatement in favour of the Respondent. However,

the order of costs and back wages was quashed and set aside. The back wages were made subject to the outcome of the pending criminal appeal. Now the said criminal appeal has been decided and the original complainant before the Labour Court has been acquitted. However, the State has preferred an appeal to the High Court and therefore paragraph Nos. 11 and 12 of the judgment be amended.

3. I do not find that this Civil Application needs to be entertained since the order dated 01/02/2016 was passed when the criminal appeal was pending. Now that the criminal appeal is decided and a further appeal is pending in this Court, it would not warrant any correction in the said judgment.

4. This Civil Application is, therefore, rejected.
