CORAM : MANGESH S. PATIL, J.

DATE : 26.11.2019

PER COURT :

The learned advocate Mr. Madde undertakes to remove the office objections before the next date.

2. These are the applications by the original claimant nos 2 to 4 seeking withdrawal of the amount of compensation after attaining majority.

3. I have heard both the sides. Admittedly, two of the original claimants have been allowed to withdraw Rs.4,00,000/- in aggregate. Since these applicants have now become major, even they deserves to be paid something.

4. The applications are allowed.

5. The original claimant nos. 2 to 4 are allowed to withdraw Rs.2,00,000/- each by furnishing usual undertaking.
