P.C.

Heard Mr. D. Pangam, learned Counsel for the petitioner and
Mr. D. Lawande, learned Advocate General for respondent nos.1
and 2.

2. Learned Advocate General makes a statement that in
pursuance of notice inviting tenders, the Goa Waste Management
Corporation(GWMC) has received only one bid. Accordingly,
GWMC has taken a decision not to accept single bid and rather,
to proceed to invite fresh tenders. The learned Advocate General
states that GWMC has also taken a decision that clause
no.2.2(note c) , which had restricted the right of participation
only to the limited company or private limited company will
also be specifically modified so that even other entities,

individuals are in a position to take part in the tender process and submit their bid.

3. Since, one of the main challenge was to clause 2.4(note C) such challenge no longer survives.

4. Mr. Pangam, states that petitioner also has some grievance with regard to some other tender conditions. He, however, states that petitioner will make a representation to the GWMC in relation to such grievance and therefore, liberty may be reserved to make such grievance, in case, same are not resolved.

5. Accordingly, we dispose of this petition on the basis of statement made by the learned Advocate General. We further make it clear that in case the petitioner has any other grievance which remain to be resolved after representation is made, petitioner shall have liberty to raise the same.

6. With the aforesaid liberty this petition is disposed of.
