Prisoner challenges the order dated 11/09/2017 rejecting his prayer for parole.

2. Learned APP has invited our attention to the fact that the judgment and order dated 21/09/2013 passed by this court has been questioned in SLP No. 43655 of 2018 before the Hon'ble Apex Court. Hon'ble Apex court has on 11/1/2019 ordered suspension of the sentence of imprisonment and his release on appropriate terms and conditions. Accordingly, he has been released by suspending the sentence on 29/1/2019. The communication received by the office of the learned APP from

the Superintendent of Kolhapur Central Prison dated 4/11/2019 is taken on record as Exh. "A". The orders of the Hon'ble Apex Court mentioned supra are annexed therewith.

3. In view of this development, challenge to rejection of parole does not survive. Petition is disposed of.
