CORAM : M.S.KARNIK, J.

DATE : 28th MARCH, 2019

P.C. :

. Rule. The respondents waive service. By consent, Rule made returnable forthwith and heard finally.

2. Jaisingpur Nagar Parishad by this Petition under Articles 226 & 227 of the Constitution of India has challenged the order dated 28/04/2017 passed by the Competent Authority under the Minimum Wages Act, 1948 (for short 'the said Act'). The employees under the banner of General Labour Union had filed a Complaint before the Government Labour Officer claiming that they have not being paid difference of minimum wages as well as they have not been paid provident fund and

other benefits contemplated under the labour legislation. The employees filed application before the Competent Authority under the said Act for payment of difference of the minimum wages to the extent as stated in the schedule of the application. The Municipal Council filed written statement on 07/09/2015. The Municipal Council also filed their written argument on 28/12/2015.

2. Competent Authority by the impugned order dated 28/04/2017 allowed the application and directed payment of the difference of the minimum wages. Apart from allowing the claim, Competent Authority imposed penalty of 10 times the differential amount of claim.

3. Learned Counsel for the petitioners submitted that the proceedings conducted before the Competent Authority were conducted in a haphazard manner. He would submit that though in the impugned order, it is stated that the respondent – employees filed the affidavit of evidence on 23/05/2016,

however, this is not borne out from the roznama which is annexed along with the Petitions. He would further submit that the copy of the affidavit of evidence should have been supplied to the petitioners. In his submission, apart from the procedure as contemplated by Rule 32 of the Maharashtra Minimum Wages Rules, 1963 (for short 'the said Rules') is not complied with, even the requirement of the Rule 34A regarding maintenance of roznama is also not followed. He submits that while imposing penalty 10 times of the differential amount of minimum wages, no reasons whatsoever have been given by the Competent Authority. Learned Counsel would submit that it is ultimately a question of public funds involved. The procedure as contemplated by Rules ought to have been followed by the Competent Authority. He submits that opportunity should be given to the petitioners to represent their case effectively before the Competent Authority in the interest of justice.

4. Learned Counsel for the Contractor in connected matters has adopted the arguments of Shri Bapat. He also

requests for an opportunity to appear before the Authority. He submits that no notice is issued to the Contractor. He invited my attention to the roznama which does not reflect the service of the notice on the contractors.

5. Learned Counsel for the respondent No.1 opposes the Petitions. He would submit that adequate opportunity was given to the petitioners to appear before the authority. He invited my attention to the roznama to contend that the petitioner - Municipal Council though appeared initially, has remained absent in the proceedings thereafter. He would submit that the Contractor has not even bothered to appear in the proceedings. He therefore prays that the impugned order be not interfered with.

6. Heard learned Counsel for the parties. I have gone through the impugned order and the roznama as well. The petitioner - Municipal Council has filed its written statement and written argument. Perusal of Rule 34A of the said Rules would

indicate the manner in which roznama has to be maintained. Upon going through the roznama, it is evident that the roznama does not contain the factum of respondent No.1 filing the affidavit of evidence. I find that that the roznama has not been maintained in the manner as expected under Rule 34 A of the said Rules. Be that as it may, in my opinion, apart from this, it is necessary and in the interest of justice to provide one opportunity to the petitioners to represent their case effectively before the Competent Authority. It is obvious that after filing the written statement and written argument, the petitioner-Municipal Council has failed to remain absent. It is therefore necessary to put the Municipal Council to some terms so as to protect the interest of respondent No.1. It is the case of the Contractor that he was not in receipt of any notice as regards the proceedings. Though roznama does not indicate the service of notice, learned Counsel for the respondent No.1 invited my attention to the letter dated 05/02/2016 which is in fact the notice addressed to the Contractor. Even this aspect is not borne out from the roznama.

7. It is in this view of the matter, with a view to give an opportunity to the petitioner- Municipal Council and the petitioner - Contractor in connected Petitions to make an effective representation that I am inclined to remit the matters back to the Competent Authority for hearing the same afresh. Hence, the following order.

ORDER

- (i) The impugned orders dated 28/04/2017 of the Competent Authority in all the Petitions are quashed and set aside.
- (ii) The Competent Authority to decide the applications afresh on its own merits after giving an opportunity to the petitioners and the respondent No.1.
- (iii) The authorised representative of petitioner - Municipal Council and Petitioner- Contractor undertake to remain present before the Competent Authority on 15/04/2019 at 3.00 p.m. when the Competent Authority may fix the further schedule of hearing.
- (iv) The Competent Authority to decide the applications

expeditiously and in any case, within a period of 4 months from 15/04/2019.

(v) The petitioners undertake to co-operate with the Competent Authority and assure the Court that they will not seek unnecessary adjournments.

(vi) The petitioner - Municipal Council to deposit claim amount of Rs.518736/- as granted by the Competent Authority with the Competent Authority within a period of 6 weeks from today.

(vii) The Competent Authority to invest the said amount in a fixed deposit in any Nationalised Bank till the decisions on the applications.

(viii) All the contentions are kept open.

8. Rule is partly made absolute in the above terms with no order as to costs.

(M.S.KARNIK, J.)
