THURSDAY, 26TH SEPTEMBER, 2019

P.C. :

1 This writ petition was mentioned before us at 3:00 p.m., after recess only to request this Court to intervene in an on-going demolition.

2 Since there was a demolition and alleged to be going on when the matter was mentioned, on grounds of sympathy we allowed the petitioner's advocate to argue it.

3 We took up this case at the request of the petitioner's advocate at the end as a last case. After we heard her for sometime and we were told that the demolition activity has commenced, portions of the third floor (floor above the petitioner) has already been demolished and also on merits we expressed our disinclination to interfere in the action, on instructions, the petitioner's advocate seeks leave to withdraw the writ petition.

4 Leave granted. The writ petition is disposed of as withdrawn.
