DATE : 09/01/2019.

P.C.:

. Nobody appears for petitioner. Learned APP upon instructions has produced communication dated 9/1/2019 received by her office which is taken on record and marked 'X'. It shows that the complaint against the petitioner is found to be false and, therefore B summary is presented to the trial Court. We therefore find that the grievance of the petitioner is already redressed. Accordingly, we dispose of the petition as infructuous.
