VENKATESH NANASAHEB MORE)...APPLICANT

V/s.

THE STATE OF MAHARASHTRA)...RESPONDENT

Mr.S.W.Sambre i/b. Shri V.V.Ugle, Advocate for the Applicant.

Mrs.M.M.Deshmukh, APP for the Respondent - State.

CORAM : A. M. BADAR, J.

DATE : 5th APRIL 2019

P.C. :

1 This is one more bail application moved by the present applicant/accused, whose earlier bail applications are already rejected by this court, atleast twice.

2 Heard the learned counsel appearing for the applicant/accused as well as the learned APP. No change in

circumstances are there for warranting entertainment of the instant application. However, the learned counsel for the applicant/accused has rightly submitted that the applicant/accused is behind bars since long and the trial may be expedited.

3 In this view of the matter, the learned trial court is requested to expedite the trial and dispose it off within a period of one year from the date of communication of this order to it.

The application is, accordingly, disposed off.
