P.C.:

1. It is stated that the money deposited by Respondent No.5 with Respondent No.7 Association is in the process of being distributed amongst the members of Respondent No.7 Association. Prima facie, we do not find such distribution in any manner hampering Petitioners' any of the contentions. However, by way of abundant caution, it is provided that such distribution would be without prejudice to the rights and contentions of the Petitioners and would not create any equity in favour of any of

the members of the Respondent No.7's Association or any other Respondents. The above Notice of Motion is accordingly disposed off.
