P.C:

1. Having heard both sides, we find that the petitioners have refused the offer of the Municipal Corporation as the alternate sites are not suitable for their business and commercial activities.

2. However, the petitioners' Advocate says that the

petitioners have made a representation pointing out the other premises in possession of the Municipal Corporation or belonging to it which can be considered for allotment to the petitioners. These are within the vicinity of the demolished premises or located at a distance of 1-2 km. away from the same.

3. In the event such a representation is pending before the Municipal authorities, let a decision be taken thereon as expeditiously as possible and in any event within a period of two (2) months from today.

4. The writ petition is disposed of with the above directions.
