

1. Heard learned Counsel for the applicant.
2. An affidavit of service of Mr.Vaibhav Bhaskar Deshmukh dated 13 June 2019 is placed on record on behalf of the applicant. It records that personal service is effected on the respondents. Despite service, the respondents have failed to appear in this case. Accordingly, the application is taken up for hearing.
3. This is an application under Section 11 of the Arbitration and Conciliation Act, 1996 (for short, “the ACA”) whereby the applicant has prayed for appointment of an arbitral tribunal for adjudication of the disputes which are stated to have arisen between the parties under the

loan cum hypothecation agreement dated 29 January 2015. Clause 28 of the said agreement is the arbitration agreement between the parties which reads thus:-

“28. Dispute Resolution: In the event of any dispute or controversy that may arise from or relating to the remittance, operations or from the interpretation or implementation of this Agreement, the parties hereto undertake to first endeavour to resolve such dispute or controversy amicably through conciliation, within thirty (30) days from the date when such dispute or controversy arises. Unresolved disputes arising out of or relating to this agreement or the arrangement agreed to herein shall be referred to arbitration of a Sole Arbitrator jointly appointed by both the parties. The place of arbitration proceedings shall be at Mumbai and proceedings to be conducted in English. The proceedings shall be conducted in accordance with the Indian Arbitration and Conciliation Act, 1996 as amended from time to time. The Award of the Arbitrator shall be final and binding on both the parties. Parties to bear the respective cost and cost of the arbitration proceedings shall be shared.”

4. The case of the applicant is that a term loan facility in the sum of Rs.8,93,000/- was disbursed to the respondents as set out in more detail in the body of the application. The respondents defaulted in making payment of the installments of the said financial facility as made available by the applicant. The applicant accordingly issued a notice dated 17 November 2018 invoking the arbitration agreement and called upon the respondents to appoint a sole arbitrator to adjudicate the disputes between the parties. This notice was received by the respondents on or about 21 November 2018, however the respondents did not confirm and/or concur in the appointment of the Sole Arbitrator. Accordingly, the present application has been filed by the applicant praying for

appointment of an arbitral tribunal.

5. Having heard learned Counsel for the applicant and having perused the record, it is quite clear that the respondents are beneficiaries of the loan facility made available by the applicant. Under clause 28 of the said agreement, the parties have agreed for disputes being referred to an arbitral tribunal under the said agreement. It is also on record that the applicant by the notice dated 17 November 2018 invoked the arbitration agreement and sought reference of the disputes. All the averments which are made in the petition are required to be treated as admitted as they are not controverted by the respondents.

6. In the above circumstances, the application is required to be allowed. Hence, the following order:-
