**DATED : AUGUST 05, 2019**

This is an application for condonation of delay of 455 days in preferring revision application. Notice was issued in this application and the non-applicants were served.

Although, the prayer made in the application is opposed, a perusal of the application shows that one of the reasons for delay is that the applicant had initially filed an appeal before this Court, challenging the impugned Judgment and order. On 31/08/2017, this Court had granted liberty to the applicant to file revision instead of appeal as filed.

Considering the reasons stated in the said application, the present application deserves to be

allowed. Accordingly, the application is allowed and delay is condoned.
