In all these writ petitions, the respective petitioner seeks for a mandamus forbearing the respondents from constructing park in their respective patta lands referred to in these writ petitions.

2. According to the petitioners, the respondents are trying to establish a park in their respective patta lands without having any authority or title. Ventilating such grievance, the petitioners made their respective representations on 19.12.2018. Since the said representations have not been considered so far, the present writ petitions are filed before this Court.

3. This Court is not expressing any view on the merits of the claim made by the petitioners, as it is for the fourth respondent to consider and dispose the representations of the petitioners on merits and in accordance with law. Thus, these

writ petitions are disposed of only by directing the fourth respondent to consider the representations of the petitioners dated 19.12.2018 within a period of six weeks from the date of receipt of a copy of this order. Till an order is passed by the fourth respondent, the respondents are directed not to proceed with any construction in the subject matter property. No costs.
