This Tax Case Appeal has been filed by the Revenue calling in question the correctness of the order passed by the Income Tax Appellate Tribunal Madras 'B' Bench, Chennai, dated 25.01.2008, made in ITA

No.1862/Mds/2002 by raising the following substantial questions of law:

"1. Whether on the facts and circumstances of the case, the Tribunal was right in holding that the assessee is entitled to the benefit of Sec.80IA merely on the ground that it had availed it in the last year without going into the facts and circumstances of the present year?

2. Whether on the facts and circumstances of the case, the Tribunal was right in holding that the opening stock should be deducted from the closing stock and only the difference should be added when the opening stock is already taken into account to arrive at the closing stock in the first place?

2. When the matter is taken up for admission, the learned Standing Counsel brought to our notice the Circular instruction issued by the Central Board of Direct Taxes vide Circular No.3/2018 dated 11.7.2018 wherein it is stipulated that appeals shall not be filed/pursued by the Department before the High Court in cases where the tax effect does not exceed Rs.50 lakhs.

3. In the instant case, the tax effect is said to be less than the monetary limit imposed and therefore, the appeal filed by the Revenue is

dismissed as not pressed, keeping open the substantial question of law for determination in an appropriate case.
