ORDER

This writ petition has been filed for a mere mandamus directing the first respondent to transfer the electricity service connections in question in the name of the petitioner. The prayer is wholly misconceived, untenable and unjustified, with which the petitioner should not have come to this Court, for the following reasons:-

- (i)When Mr.R.Chakrapani Nadar, the second respondent herein has already succeeded in the civil suit filed in C.S.No.559 of 1989 before this Court, as against which the petitioner has not even filed an appeal, of course, after sometime, has filed a suit in C.S.No.397 of 2014 challenging the judgment and decree granted in favour of the second respondent, the same is pending.
- (ii)Till the said civil suit is finally disposed of in his favour, the petitioner ought not to have filed this writ

petition.

2. For the above reasons, the writ petition stands dismissed. No costs.
